

**GOVERNMENT ENGINEERING COLLEGE, VALSAD**  
**CIVIL ENGINEERING DEPARTMENT**

A DETAIL REPORT  
ON  
**Expert Lecture on**  
**Application of AutoCAD Software**  
**in Civil Engineering**

**DATE : 22/10/2019**

## **DETAILS OF FIELD PROJECT :**

Place of Workshop : Civil Engineering Department (Room no-121)

Date of visit : 22/10/2019

Name of department : Civil Engineering Department

Semester : 01 (Civil )

Subject : Basic Civil Engineering (3110004)

Number of students : 68 students

## **OBJECTIVES :**

1. The main objective of this workshop is to learn and understand Application of AutoCAD software in Civil Engineering.

## **FIELD PROJECT DISCRPTION :**

The Civil Engineering Department has organized an Expert Lecture at Civil Engineering Department . This Expert Lecture was organized for the students of semester 02 of Civil Engineering Department. The workshop was organized on 22/10/2019 and total 68 students of Semester-02 of Civil Engineering Department were present during Session. Faculty member of Civil Engineering Department Prof. H.K.Rana Joined the students during Expert Lecture.

Auto CAD software application in Civil engineering can be useful in various forms of Designing and Drafting. It allows user to conceptualize ideas and building drawings to the required level of technical accuracy in Civil Engineering. Mr. Kaushik Patel , CEO, CAD center Valsad and Vapi delivered an Expert lecture on Application of Auto CAD software in Civil Engineering which includes detail applications of software which are very much useful in the field of Civil Engineering in the future. This Expert lecture will be helpful to students in future in the field of Civil Engineering Designing and Drafting.

**Expert Lectrue Coordinator : Prof. H. K. Rana**

**HOD Civil : Prof. D.J. Patel**
