

Government Engineering College, Valsad  
Mechanical Engineering Department  
**Industrial Expo Visit (Tech Vapi 2019)**

**Venue:-** VIA Ground, Vapi

**Date:-**21/12/2019

**Students:** Total 98 students of Mechanical Semester-8 (0 Girls + 98 Boys)

**Faculty Accompanied:** (00 Female + 03 Male) Prof. Sandip T. Patel; Prof. Alpesh R. Patel; Prof. Bhavesh K. Patel

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim of industrial expo visit is to provide an exposure to students about latest technology and innovation in mechanical and allied domains. This also provided a platform to find out innovative products, services and their providers, which is useful for final year students in execution of their projects.

All students have reported outside the main gate of Industrial Expo at 11:15 am. After completing all formalities on entry Gate, students got access to expo in three batches accompanied by faculty. All students have interacted with different industries and contented their knowledge needs. The CNC Trainer and Welding Trainer become a main attraction for our students in the expo.
