

# **Report on Innovation Day Celebration**

**@  
Government Engineering College, Valsad**

**15<sup>th</sup> October, 2019**

## **Student Startup & Innovation Policy**

**SSIP**

As a part of celebration of Innovation day to pay tribute to Honourable, Ex. President, Dr. A P J Abdul Kalam, various activities have been arranged by the SSIP cell of the Institute. The objective of the arranged activities is to create awareness among the student regarding the cutting edge ongoing research and to provide the platform to explore their inner innovative ideas. The expert talk on electrical vehicles and machine dynamics by Dr. Varsha Shah, Associate Professor, SVNIT, Surat.

### **Objectives:**

- ✚ To bring the awareness among the students regarding the Cleaner energy production in the field of automobile.
- ✚ Established a link between the students of various branch in the field of electrical vehicle manufacturing.
- ✚ To get glimpses of the cutting edge research in the field of electrical vehicles and batteries.

## Inaugural of seminar

The expert talk was formally inaugurated by the experts Dr. Varsha Shah, along with Principal Dr. V. S. Purani, SSIP coordinator Prof. K. L. Mokariya and team members of SSIP cell, GECV.

Prayer by Yash Chauhan, Electrical, 4<sup>th</sup> Year

The program had a learning sessions, preceded by the inaugural function and concluded by the valedictory function. Session was followed by an interactive question-answer session where the students and faculties could clarify their doubts as well as debate with the Guest Speakers.

### Introduction to Expert

**Dr. Varsha Shah,**  
Associate Professor,  
Electrical Engg. Dept  
SVNIT, Surat

Dr. Varsha A. Shah has been working in education field since last 34 years. She has completed her Ph. D. from SVNIT Surat, in Hybrid electrical vehicles in 2013. She has publish more than 50 research publication in various reputed national and international journals. She also having patents in the field of her research area. She presented her research week at various conference and symposiums.
