

## Government Engineering College, Valsad Finishing School

### Notice

Dear Students,

As you all know that ***Finishing school webinar series*** was launched by Education department, Government of Gujarat on Gujarat Sthapna Divas (1<sup>st</sup> May 2020) as an online training/learning initiative for you all. As on today, 35 days have been completed for this webinar series and has covered many topics of **Life Skill, Employability Skill and English Functional Skill**.

In this context, on today (4<sup>th</sup> June 2020), Finishing school has launched the quiz in order to get the outcome of this webinar series. For that you all have to register on given below website, refer the study materials and videos available (can skip videos) and then has to attempt the quiz. After submitting the quiz, you can download the certificate. These certificates are having similar values to the offline Finishing school program. These quizzes will be regularly uploaded on given website till the end of this month (June 2020) and may be continue further.

However, you can attempt all the quizzes which are available as of now on the website ([www.vlehe.in](http://www.vlehe.in)).
